

# SCOTTY'S LITTLE SOLDIERS

The charity for bereaved British Forces children.

Inspired by the experience of Army widow Nikki Scott following the death of her husband Cpl Lee Scott in Afghanistan, Scotty's Little Soldiers is dedicated to providing support to children & young people who have lost a parent who served with the British Armed Forces.

## ABOUT SCOTTY'S

Nikki witnessed first hand the effect the loss of a serving parent can have on a child. It was on a family holiday some 9 months after Lee's death that Nikki saw her son Kai, 5 at the time, laugh and smile for the first time since his Dad's death.

She realised that there must be so many more children who had also lost a parent in the British Armed Forces but hadn't had that opportunity to smile again.

Nikki decided to set up the charity Scotty's Little Soldiers to do just that, to **#HelpTheirChildrenSmile**.

Scotty's provides help to bereaved Forces families through it's Assistance Programmes; SMILES, SUPPORT, STRIDES & SPRINGBOARD.
